

## REACH and RoHS 3 Declaration of Conformity

With reference to Regulation 1907/2006/EC of the European Parliament and of the Council concerning the registration, evaluation and authorisation of dangerous chemicals, **Comag Rho Srl**

**states that:**

It does not produce, use or purchase chemicals as such, which are qualified hazardous substances (SVHC) by the regulations so it has no pre-registration requirement.

The products do not fall under the requirements of art.33 because the concentration of substances deemed hazardous contained, is less than 0.1 percent of the weight of the product itself, so they are exempt from restrictions.

It requested its major suppliers to verify and inform **Comag Rho Srl** about their position towards the REACH regulation concerning the chemicals on the Candidate List updated to 14/06/2023.
